About This Game

Two-dimensional arcade shooter about the adventures of Mazai, who tried on the role of captain of the star cruiser. Mazai's task is to return escaped leaders of the organized criminal groups, such as Leshy, Kikimora and Baba Yaga, to prison. At the disposal of the protagonist is a huge number of weapons: bombs, torpedoes, guided missiles, pistols and even an anchor. By upgrading his cruiser, Mazai must overcome the villains that terrify the whole world!

Features:

- original plasticine stylistics
- RPG element in the form of many variants of upgrading the cruiser
- guided missiles following the specified trajectory
- a large number of diverse enemies, on land and air
- a large selection of tactics for conducting battles
- and much more
